

## SERVICE NOTICE NO 14

The Accademia Musicale Chigiana, as an entity operating in the field of higher musical education, complies with the Italian provisions of anti-Covid security for universities and AFAM institutions that affirm that until the end of the state of emergency set at 31 December this year, all STUDENTS and all PERSONNEL, BOTH TEACHERS AND TECHNICAL-ADMINISTRATIVE, must possess and show the **Green Pass** as defined by Article 9 of the decree-law of 22 April 2021.

The COVID-19 green pass (<https://www.dgc.gov.it/web/>) attests to one of the following conditions:

- having had the COVID-19 vaccination (in particular, after the first dose of the vaccines that require two (Pfizer-Biontech, Moderna and Astrazeneca), the certification is generated from the 12th day after administration and is valid from the 15th day until the booster dose;
- be negative to the rapid molecular or antigenic test within the last 48 hours;
- be cured of COVID-19 within the last six months.

The green pass requirement does not apply to people who, with medical certification, are exempt from the vaccination campaign.

The obligation remains, in compliance with the policies already adopted by the Academy, to

- use masks;
- respect the distance between the various training and non-training activities;

as well as prohibiting access to people with a temperature higher than 37,5°C.

The obligation to show the Green Pass is extended to all COLLABORATORS and, as a rule, to all EXTERNAL PERSONS who wish to access the spaces inside Palazzo Chigi Saracini and managed directly by the Academy.

Possession of the Green Pass will be verified by the concierge staff.
